Dear Teachers,

We at Dance Fremont invite you to see and hear the literature of Hans Christian Andersen brought to life through **a wonderful field trip opportunity** for your students. This is one holiday show you won't want to miss.

Dance Fremont presents **The Steadfast Tin Soldier, A Story Ballet**, now in its 22nd year. Adapted from the Hans Christian Andersen tale of the same name and performed by over 50 young dancers ages 7-17, the ballet is beautifully choreographed by Vivian Little. Students will be enchanted by the dazzling costumes, artfully crafted props & sets, and a live ensemble of high school musicians performing a captivating musical score by Kathleen Mills. Verbal story narration and Signing in Exact English (S.E.E.) make the story easy to follow for even the youngest students.

Connie Spurrier, a first/second grade teacher at The Evergreen School, said this about the performance. "All my students enjoyed it. It was colorful, creative and full of action and energy. The students loved seeing other children perform. I plan to take my class again next year."

A special school performance will be offered on Friday, December 14th at The Shorecrest Performing Arts Center, 15434-25th Avenue NE in Shoreline. The performance starts at 10:30am, lasting approximately 75 minutes. Tickets are \$7 per person.

Seats fill quickly. For more information, **please call Dance Fremont! at 206-633-0812 or email us at info@dancefremont.com. Enjoy our preview video here: <https://youtu.be/c3mMqZgw7zM>**

We look forward to sharing this exciting holiday production with you and your students.

Sincerely,
Karena Birk, Director
